

This map illustrates the River Sever catchment area, highlighting the river and its tributaries, surrounding urban areas, and various land use zones. The map includes a legend in the bottom right corner.

Legend:

- Urban areas (shaded in light blue)
- Green spaces (shaded in green)
- Water bodies (shaded in blue)
- Other land use zones (shaded in yellow, orange, and red)

The map shows the River Sever flowing through the catchment area, with various urban areas and green spaces surrounding it. The legend indicates the different land use zones and their corresponding colors.
